

# ORIENTEERING IN NEWCASTLE

The Newsletter of  
Newcastle Orienteering Club Inc.  
Issue No. 212  
June 2010

<http://newcastle.nsw.orienteering.socialfx.net/>

Greetings and salutations,

As you may or may not be aware I am the new Orienteering in Newcastle newsletter editor. I am taking the reins from the great Allan Wright who has been in the job for the past 36 years. I know that I have big shoes to fill. My first edition (No.211) was a little rushed and only contained upcoming event information and previous results. Hopefully there will be a bit more information regarding other happenings within the club included in future editions. On that note I ask you all to send me any quirky facts, stories or achievements that you are aware of for inclusion in newsletter. My contact email is [danielorr86@gmail.com](mailto:danielorr86@gmail.com).

My preference for distributing the newsletter is via electronic means to reduce the number of newsletters being printed and sent through the post. After all, this sport depends on the trees being in the forest. Once the newsletter has been written and checked by the editor (i.e. mum) a PDF copy will be emailed to you using the email address provided on your membership form. If for some reason you do not receive a copy via email check that I have your correct email address by emailing me. The newsletter can also be downloaded from the club [website](#). For those without access to the internet and email there will be a few paper copies available for collection at local events. If you are not emailed a copy and do not pick a copy up at an event then a copy will be posted to you if you are financial member of Newcastle Orienteering Club.
