

## Expressions of interest

The club needs your help so that we can continue to run the number of high quality orienteering events that we offer each year. The 2008 calendar year will see a total of 80 events staged by members of our club. In the past we have had a reasonably high percentage of member support in planning and organising these events but I feel we could do even better. The following table indicates events during the next year and the gaps that need to be filled in terms of personnel. If you feel that you would like to contribute then please contact either Geoff Peel 49680977 or Denis Lyons 49731217 ASAP to offer your services. So far the locations are up to those that volunteer but very shortly we need to allocate them so that we can obtain the appropriate access rights.

### Course Setters

#### Duties

Set required courses, position controls and produce control descriptions.  
Liaise with organiser (and controller if needed)

#### Requirements (suggested)

Street – has competed at street events for at least one season  
Club minor - must have competed at Red level for a couple of years  
NOY - has set a club Minor  
State League - has set at NOY level  
MTBO - Has participated in at least a few MTBO events

### Organiser

#### Duties

Responsible for all “off-course” equipment.  
Liaise with setter so that start/finish is correctly setup ready for event.  
Organise “helpers” to run rego and finish desks.  
Organise equipment pack up.  
Note: pre enter events will involve extra duties that may include entry receipt.

#### Requirements (suggested)

Street - Has competed at street events for a season  
Club minor – has competed at bush events for a season  
NOY – has competed at bush events for a season  
State League – has organised an NOY event  
MTBO - Has participated in at least a few MTBO events

### Control collection

#### Duties

Assist in the collection of control stands/flags at event closure.

#### Requirements (suggested)

Ability to locate controls.  
Note: you may offer to collect say blue and green controls if you weren't confident enough to get the more technically difficult ones.
