Sun 16 <sup>th</sup> Oct	Minor	TBD	G.Peel	Enter on Day

The club bush season has two distinct event types. The first is the "Newcastle Orienteer of the Year" (NOY) series where points are attained to determine an overall series winner. The other "minor" or "training" style events do not contribute to an overall point score but offer the participant a chance to improve their navigational skills in what still amounts to a true orienteering experience. Coaching days are also a popular feature of our calendar.
