## Event Description

There will be a choice of two A4 maps.

The LineScore75 for those classified as Elite Riders and an AllScore75 for those that like something a little easier. The controls will be in the same locations for each course.

The LineScore75 map will consist of two components, a line course of 7 to 9 controls, each valued at 2 pts, followed by a score course and will be a double sided map.

The AllScore75 will be a single sided all score map. Both with a 75 minutes time limit.

### **Score Course**

Controls on the score course will be valued at either 1, 2 or 3 points as indicated by the colour of the control on the map.

### **Late Penalties/Early Bonuses**

Competitors will incur 1 point penalty for each minute or part thereof they are late.

Competitors will receive a 1 point bonus for each full minute early if they clear the map.

### **Series scores.**

Your best four results will be tallied to produce an overall series total. Course setter will receive an average of their best three results for the event they set.

NB Riders classified as Elite will not be awarded a podium finish for the series if they ride the AllScore75 course.

Individual scores for each event will be calculated as a percentage of the winners score,

Competition categories for each event will be for Women, Men and Rookie & EBike.
