

## UFO Event 3- King Park

**Location:** The assembly is located at the King Park Sports complex

**Map:** King Park 1:4000, 2m contours. Revised 2022 by Ian Dempsey.

**Start:** Starts are between 4:45pm-6:15pm. The start is located adjacent to the assembly.

**Course Closure:** 7 pm

**Setter:** Oskar Mella

**Vetter:** Bjorn Mella

### Courses:

	Length (km)	Controls	Map Flip	Descriptions
Long	4.2	28	Yes	Symbols
Short	2.4	20	Yes	Symbols
Mini	1.3	11	No	English

**Descriptions:** Control description will be printed on the map or you can print your own.

**Parking:** In the car parks around the assembly area. There will be sufficient space for parking.

**Terrain:** Open flat parkland with some buildings and trees. The short and long courses pass through an area of tennis courts and carparks. Care should be taken when around other park users.

### Notes:

– There is a crossing of Newline Road in the long course. Controls are placed on either side of the road. Time taken between these controls will not be counted (up to 1 minute). The controls are 3 and 4 on the way out then 11 and 12 on the way back. Both controls must be punched on the way out and the way back. **Do not cross unless safe to do so.**

- Toilets are located a 350m walk from the assembly however are not the nicest, so it is recommended to either use the McDonald's toilets (700m away) or those at Market Place (1km)
